Understanding the Teenage Brain

Watch the recording of Jane Keyworth delivering this online session (one hour 45 minutes) to parents in the UK

“We need every parent and teacher to attend this outstanding presentation. It provides a brilliant exposé of the challenges young people face as they develop from child to young adult. The presentation is very informative but also very accessible and entertaining. I cannot recommend this talk highly enough”

Mr Andrew Mead, Headteacher at Lytchett Minster, UK High school
